About Us

Gratiot Integrated Health Network, established in 1966, provides services and supports for those with mental illness, Intellectual/Developmental Disabilities, children with Serious Emotional Disturbances, and those with Substance Use Disorders.

Our skilled and compassionate clinicians help consumers set and achieve personal goals through evidence-based practices, with an individualized approach that is tailored to the needs of consumers.

We are engrained in the fabric of the Gratiot County community, and are continually expanding and evolving to better meet the needs of those we serve.

Our Mission

Empowering the lives in our community by providing education and services.

Our Vision

To improve care through integration, collaboration, innovative services, and community outreach.

Our Values

Diversity

We are committed to supporting a diverse multi-cultural environment where individuals differences are valued and everyone is recognized as having the ability to contribute to our community.

We are dedicated to the delivery of quality person-centered services. We strive to provide services which meet the dreams, desires and needs of our consumers.

Quality

We are committed to treating all individuals with dignity and respect. Everyone is responsible to conduct themselves in an ethical manner and is accountable for their actions.

Integrity

We promote the open, honest and supportive exchange of ideas and knowledge that facilitates growth and improves the quality of services.

Communication

Teamwork

We encourage participation between our consumers, staff and community members to address issues and opportunities, making shared decisions.
