ELEVATE Care Team

Supporting Your
Child In Their
Healthcare Needs

What is the ELEVATE Care Team?

The ELEVATE Care Team is a group of caring professionals who work together to help youth with health and daily needs. Our team includes:

Nurse: Helps coordinate care between all health providers.

Behavioral Health Specialist: Supports mental health needs.

Community Health Worker and/or Parent Support Partner: Connects you with resources to help in your child's daily life.

Psychiatrist & Medical Consultant: Gives expert advice to support your child's care.

Who Can Join?

Your child may qualify for the ELEVATE Care Team if they:

- 1 Are a child or teen living in Gratiot County age 5-17
- 2 Have Medicaid
- 3 Have a qualifying diagnosis, such as:
 - Depression
 - Bipolar disorder
 - Anxiety
 - ADHD
 - Conduct disorder
- 4 Have at least one long-term health condition that is hard to manage

How Can This Help My Child?

With the help of the ELEVATE Care Team, you can:

- Help your child reach their health goals.
- Ensure all of their doctors and health providers communicate and share important information.
- Support your child in taking charge of their care and making choices that work best for them.

What Services Do We Offer?

The ELEVATE Care Team provides six main services to help your child:

Care Management – Helps connect you to all the resources your child needs.

Care Coordination – Makes sure health providers communicate with each other.

Health Education & Resources – Gives you information to help your child stay healthy.

Transition Care – Provides support when you switch doctors or health providers.

Referrals to Community & Social Services – Helps find local programs for extra support.
